To the kind attention of:

Obj: Regulation REACH EC 1907/2006: "Candidate list" updated at 20-06-16 and earlier

Dear Customer,

This is to inform you that none of the substances listed in the "Candidate list" issued by ECHA, is deliberately used for the articles produced and supplied to your company.

LTA Srl pays particular attention to the respect of human health and to the respect of environment; for this reason, we are constantly in touch with our suppliers of raw materials and/or mixed chemicals and/or articles to comply with REACH regulation in all its aspects including Art. 57.

We get constantly updated on regulation applicable to our articles evaluating all of our products that we buy time by time and evaluating consequently all articles supplied to you as well; for this reason we will provide you with further documentation in time in case we think this might be necessary.

Best regards.

LTA Srl
